## 04 WHY YOU SHOULD TRUST US

---

Being in the brokerage and investments space for almost past a decade, there are reasons we stand out of all our competition as we have proven our capabilities by building a sustainable portfolio on investments which has attracted us several awards and nominations in the international finance and brokerage community.

Having retiring our based payments to cryptocurrencies or otherwise, referred to as digital assets in some country regions, we have successfully taken advantage of the various market surges in the crypto economy to counter for all our shareholders' and clients' supposed losses, hereby having a self-sufficient and functional system that guarantees ROI of all investments made with and through us for over an estimated period of 30+ years.

**100% GUARANTEED ROI**

**INTERNATIONAL RECOGNITION**

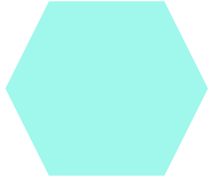

**SELF-SUSTAINING SYSTEM**

**AUTOPAY**

All these and lots more contributed to the why we are trustworthy enough which got us a paid partnership and sponsorship with the Turkey International Football Team and also, a **HALAL Certification**.

## **05 OUR INSURANCE POLICY**

---

Considering the quality of financial and brokerage services we do offer here at IGS, We did not forget the necessity of having all our user accounts insured not only with **FINSEC**, but with several other internationally recognized financial accounting and banking institutions. This move is quite strategic so as to ensure that all indemnities are covered in any case of mishap or jeopardy in a shareholder's or client's account.
